Boat Color: K029B
Boat Driver: Mike Iaconelli

Bay Cat

Feel the Rush!

The Bass Cat Bay Cat® is the ideal family multi species boat in our line up. More thought and development is found in the Bay Cat® than any other boat including our revolutionary Eyra which brought rounded rear decks and smoother profiles to bass boats in the early 90's. This center console is designed to take on the tough demands of off shore fishing as well as great for stalking Reds, and Trout in the "backwater flats". The Bay Cat® will also be ideal for many freshwater applications. The Stripper fisherman will find no equal.

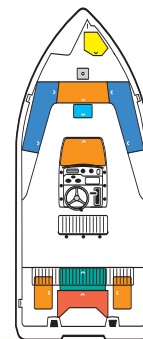

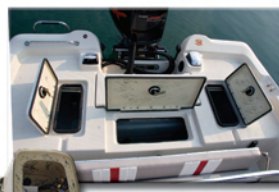

Construction is our most innovative "all fiberglass" vacuum compressed technology ... transom, stringers, and subfloor incorporating full upright foam flotation. Open, roomy and very easy to maintain with diamond checkered slip resistant self bailing decks. Fishermen will find 6 rod tubes

on the console plus a right and left rod lockers on the front deck. Each featuring rod organizers to protect your valuable equipment. Up front you will also find a trolling motor mounting pad, and an anchor well large enough to securely hold a #13 Danforth in chocks. A step up, or down, up front features a nice size ice box.

The innovative "pivot" console folds down to allow garage storage ... how about that! Up front of the console is a huge baitwell, and the lid makes a pretty good seat. Behind the full instrumentation console you'll find a leaning bench, plus ... a new retractable plus removable bench seat behind it. Talk about versatility. On the rear deck you will find a huge livewell, two (2) baitwells or storage compartments, and a rear access lid to provide easy access to bilge pumps, aerators batteries etc. Very efficient use of every nook and cranny! If you are considering a center console ... don't miss the Bass Cat Bay Cat®!

Specifications:

Length	21'6"
Min.. Storage Length	27'3"
With Swing Away Tongue ...	24'6"
Height w/Pivot Bolster & Pivot Console on Trailer	6'4"
Beam	8'3"
Approx. Wt.	2100 lb.
Capacity	7 People or 1275lb.
Total Cap. (Persons,Mtr/Gear)	2390 lb.
Fuel Capacity (2x36)	72 Gal.
Max. H.P. Range	175-250
Draft W/Moderate Load	15"

- Anchor Storage
- Dry Storage or Bait Well
- Rod Box
- Batteries
- Live Wells
- Ice Chest
