

We at Bass cat are pleased to offer the Quest program to our entire Bass Cat Family.

The Loyalty of our Bass Cat owners has humbled us for years. To support that loyal base we are pleased to present the revised Quest program, and extend it to all of our Bass Cat owners in 2008.

Quest Summary: Quest is tournament incentive program at no cost to original owners of a 2000 model and newer Bass Cat boat. Quest is also available, for a \$100.00 membership fee, to all other Bass Cat owners.

For owners of a 1999 model year and older Bass Cat boat, there is a membership fee of \$100.00. This also applies for all transfers fees on Lifetime Warranty hulls, and those used boat owners. This membership lasts as long as you own this/your Bass Cat boat, there are no further fees or memberships.

Good Fishin' ... and hopefully you can "cash in" on our Quest Program as our way of saying "Thank You" for purchasing your Bass Cat Boat.

Please take the time to understand the Quest program and let us know if you have any questions we might help answer. As always, we are here to grow water activities and enjoy a sport we all love.
